- Single-function rainfall showerhead
- Optional extending arm included for overhead operation
- Easy-clean rubber nozzles
- Corrosion-resistant matte black finish
- Composition: Solid brass, stainless steel

“Featuring clean lines and a round shape, our Oversized Rainfall Shower Head brings modern style and luxury to any bathroom space. Dozens of easy-clean rubber nozzles deliver a soothing, rainfall spray for a refreshing shower experience. An optional extending arm in the same finish allows for overhead rainfall operation without requiring a ceiling mount. All MOOREFIELD bath products are coated in corrosion-resistant finishes for lasting durability and watertight rubber seals for a drip-free experience.”
