"Introduce an exquisite piece of contemporary flair to your bathroom space with the MOOREFIELD Colombe vessel sink. Crafted using the finest quality Vitreous China resulting in a smoothly polished basin with the delicate features of fine marble and the stubborn durability of high-end ceramics. An integrated deck pre-drilled for single-hole faucet installation allows for easy installation with no drilling required. Finished in an elegant charcoal marbled pattern, MOOREFIELD continues to deliver the latest trends and modern styles to your home to help you build your ideal living space. All MOOREFIELD basins include pop-up drains with covers in matching finishes for a timeless, clean design."
