“Uniting intense attention detail and characteristic style the "SPALLA" Semi-Professional Kitchen Faucet with Pull-out Spray” by Moorefield, adds a chef’s touch to any kitchen space. Featuring an elongated gooseneck design and pull-down spray wand with two spray modes, the Spalla faucet offers superior function while upstanding timeless design. The high-arc 360-degree rotating spout allows for easy cleaning or filling of kitchenware. Finished in a corrosion-resistant brushed nickel coat with steel flex lines cartridge help withstand mineral buildup. Included with this optional 8-inch deck plate in the same brushed nickel finish which allows for single or three-hole installation. Ensuring and exceeding the highest standards of quality, the Spalla Kitchen faucet is proudly lead-free, and CUPC certified. All Moorefield faucets are backed by our 1-year warranty, include all mounting hardware, and illustrated installation guides.”
